Hayward® Pool Products, a division of Hayward Industries, Inc. is the largest manufacturer of residential and commercial swimming pool equipment in the world. Headquartered in Elizabeth, New Jersey, Hayward designs, manufactures and markets the Totally Hayward® System, a complete line of pool equipment including pumps, filters, heating, cleaners, sanitization, automation, lighting, safety and energy solutions.

In business since 1923 the company has built its brand on innovation, energy-efficiency, safety and reliability. Hayward products are sold through a network of distributors and 3,000 Totally Hayward Dealer Partners throughout the U.S., Canada, Asia, Australia, Latin America and the Middle East.

Hayward's largest plant and distribution center located in Clemmons, NC has been in operation since 1995. This facility occupies 600,000 sq. feet and employs over 600 local employees.
