## **About OUTSOURCEIT**

OUTSOURCEIT, a Maryland-based IT company, merged with Bald Eagle Technologies on September 1, 2010. Headquartered in Baltimore-Washington, DC area, OUTSOURCEIT, Inc. serves clients in many industry segments including healthcare, government contractors, software development, legal, construction, housing management, trade associations, non-profits, financial and education. It has experienced significant growth since its founding in 2004 by providing exceptional service to its customers and leading the market in meeting the needs of SMB's in the NC, VA, MD and DC regions.
