FOR IMMEDIATE RELEASE

Employment Plus Ranks as Fastest-Growing U.S. Staffing Firm

(BLOOMINGTON, IN) October 5, 2011 – **Employment Plus**, a national leader in staffing and HR services, ranked as the fastest-growing U.S. industrial staffing firm earning over \$20 million in revenue, based on the *2011 List of Fastest-Growing US Staffing Firms* by Staffing Industry Analysts, the global advisor in contingent work. Between 2006 and 2010, the company achieved a compound annual growth rate of 31.75 percent – almost four percent above the average growth rate of all firms on the list, thereby reaching an overall ranking was 14th place.

Employment Plus has two locations in North Carolina with branches in Charlotte and Winston Salem.

From the time of its inception in 1993, EP has grown from one location to its current network of over 100 locations serving 13 states across the U.S., while also expanding the range of services that now include: temporary, contract, temp-to-hire, and direct-hire staffing. During the five-year period tracked in this report, EP also maintained an average annual client retention rate of over 96 percent. The business' roster of clients comprises national and global firms across various sectors including: industrial and manufacturing, clerical and office, transportation, construction and healthcare.

"We are proud to be recognized as one of the fastest-growing national companies in industrial staffing," said Mike Ross, President and CEO of Employment Plus, Inc. "Our rapid growth and our high client retention rate is a result of our expert branch teams, vast corporate resources, commitment to customer service as well as our 6 Step Plus ProcessSM which enables us to deliver consistent cost-savings for every customer year-after-year."

In order to qualify for the Staffing Industry Analysts list of Fastest Growing *US Staffing Firms*, companies had to post at least \$1 million in revenue in 2006 and have a compound revenue growth of at least 15 percent.
