About Bank of America

Bank of America is one of the world's largest financial institutions, serving individual consumers, small- and middle-market businesses and large corporations with a full range of banking, investing, asset management and other financial and risk management products and services. The company provides unmatched convenience in the United States, serving approximately 58 million consumer and small business relationships with 5,700 retail banking offices, more than 17,800 ATMs and award-winning online banking with 30 million active users. Bank of America is among the world's leading wealth management companies and is a global leader in corporate and investment banking and trading across a broad range of asset classes, serving corporations, governments, institutions and individuals around the world. Bank of America offers industry-leading support to approximately 4 million small business owners through a suite of innovative, easy-to-use online products and services. The company serves clients through operations in more than 40 countries. Bank of America Corporation stock (NYSE: BAC) is a component of the Dow Jones Industrial Average and is listed on the New York Stock Exchange.

- Locally, Bank of America supports non-profit agencies with grants and matching gifts of over \$500,000.
- A strong supporter of various agencies financially and also with volunteers throughout our community
- Bank of America is a strong supporter of local United Ways, Food Banks, Habitat for Humanity, Salvation Army and numerous other agencies.
