

## Salute Luncheon for Tuesday, November 11, 2008 **BlueCross BlueShield of North Carolina**

Blue Cross and Blue Shield of North Carolina is a leader in delivering innovative health care products, services and information to more than 3.7 million members. For 75 years, the company has served its customers by offering health insurance at a competitive price and has served the people of North Carolina through support of community organizations, programs and events throughout the state that promote good health and overall well-being.

With all that's changed since our founding in 1933, one thing has remained constant – our commitment to our members and their health. As North Carolina's oldest and largest health insurer, our roots run deep into the fabric of this great state. And we're working harder than ever to make North Carolina healthier and stronger. With one in three North Carolinians depending on us for their health coverage, it's a responsibility we take seriously. That's why we are proud to be part of your plan for better health.
