

## **Shelco, Inc.**

For 30 years, Shelco has provided a full range of construction services including planning, new construction, and renovation. Shelco serves a broad range of clients that include the educational, Class "A" office, industrial, medical, mission critical, retail, bio-technology industries and other industries. Our renovation group also provides expertise and construction services for interior renovations and upfits.

With offices in Winston-Salem, Raleigh, and Charlotte, North Carolina; and Greenville, South Carolina, Shelco covers a geographical area that encompasses both Carolinas, Virginia, and Georgia.

Our understanding the importance of time, dollars and quality parameters established by our clients has served the company well. In 2008, revenues totaled \$415,000,000 with 82% of that amount resulting from repeat business, confirming Shelco's commitment to quality and building relationships.

Partnering with our clients to ensure that project requirements are clearly identified and met, we tailor our general construction, construction manager, and design/build services to meet your specific needs. Matching the appropriate personnel with the client and project type is a key element in our construction process.
