

COVID-19

Return to Work

TESTING PROGRAM

As employees transition and return back into the physical workplace, it's natural to feel uneasy. Bethany Medical's goal is to make sure you are protected and others in the work place are as well. Bethany is providing **ON SITE (at your place of business)** testing for recent or past exposure by

RAPID TURNAROUND COVID-19 ANTIBODY TESTING

Results within 24-36 hours!

We Will Provide

1. Risk assessment: unexposed, recent exposure, or past exposure
2. On-site workplace lab collection & test ordering
3. Education to prevent exposure

We Can Determine

1. If your employee has been previously infected with COVID-19 and developed possible immunity.
2. If your employee has ever been exposed to COVID-19.

COST: \$50 PER TEST

WITH REPORT PROVIDED FOR YOUR RECORDS
