BECOME A MENTOR FOR A WS/FCS SENIOR

SE NECESITAN MENTORES DE HABLA HISPANA

YOUR ROLE AS A MENTOR

Plan weekly goals for assignments and coursework that help the student meet graduation requirements

Prepare the student for future opportunities by considering 2-or 4-year college, employment, or military careers after graduation

Help the student become college and career-ready by discussing program experiences like campus and employer tours.

PROGRAM DETAILS

- Students are identified for the program by school staff, based partly on their progress towards meeting graduation requirements.
- Volunteers are expected to attend program training and spend at least one hour per week with the student at their school, September through May.
- Volunteers are expected to review graduation guidelines and assist research for potential career opportunities.
- Participants are encouraged to help students set attainable goals and identify positive problem solving strategies.
- Mentors receive bi-weekly progress and attendance reports for their students
